

Professional Code of Conduct & Oath of Confidentiality

I, _____, agree to keep the content of the Bridgewater State University Athletic Training Program course and retention examinations confidential, including all oral exams, written exams, and practical exams at all levels of the selection and retention processes. If, at any time, I reveal the content of the selection process or retention evaluations, I accept the consequences of having my eligibility in the Program negated.

I also agree to maintain strict confidentiality on all matters related to the healthcare of the patients, including, but not limited to, information on any injury reporting forms, rehabilitation forms, S.O.A.P. notes, or on any matter involving personal or psychological counseling. Any breach of this confidentiality will result in immediate removal from the Program.

I also agree to treat my patients, peers, staff, and faculty in an ethical, professional manner that is free from prejudice and bias. If, at any time, I degrade, demean, harass, or discriminate against any of my colleagues or patients, I accept the consequences of having disciplinary action taken against me, which may include informing the National Athletic Trainers' Association or the state licensing board of those ethical violations, which could result in my total expulsion from the athletic training profession.
